

Practice: Missing Measurements

1. Draw the rectangles on square-centimeter grid paper.
2. Fill in the chart with the missing measurements.

| Rectangle | Length (l) | Width (w) | Area (A) | Perimeter (P) |
|-----------|----------------|---------------|--------------|-------------------|
| 1 | 5 cm | 4 cm | | 18 cm |
| 2 | 10 cm | 3 cm | | |
| 3 | 6 cm | | 24 sq. cm | |
| 4 | | 3 cm | | 16 cm |
| 5 | | 20 cm | | 100 cm |
| 6 | | 2 cm | 30 sq. cm | |
| 7 | | | 180 sq. cm | 184 cm |
| 8 | | | 180 sq. cm | 98 cm |

3. How did you find the missing information?
