

Anne Frank

Reading

1. Over one million children under the age of 16 died in Nazi concentration camps during World War II. Anne Frank was one of them.
2. Anne Frank was a German-**Jewish teenager** born on June 12, 1929. Her family moved to Amsterdam in 1933 after Nazi leader Adolf Hitler became the chancellor of Germany. On June 12, 1942, Anne received a small red-and-white **diary** for her 13th birthday. She called her new diary "Kitty" and wrote in it every day. Anne's diary became her best friend during World War II. On July 6, 1942, Anne's family and four friends went into **hiding** from the Nazis. They hid in small rooms above her father's office in Amsterdam. They hid for 25 months. Everything about their lives became a **secret**.
3. But they were **betrayed**. They were arrested and taken to Nazi concentration camps. In March of 1945, nine months after she was **arrested**, Anne Frank died of typhus. She was 15 years old. Only Anne's father, Otto Frank, survived the Holocaust.
4. After the war, Otto Frank found his daughter's diary. In 1947, he published the diary. He wanted people to know about the Nazis and the Holocaust. Since then, the diary has been **published** in 55 languages. More than 24 million copies have been sold. In English, the book is called *The Diary of Anne Frank*.
