

## **Fall in New England**

It is fall in New England.

It is time to go to the apple orchard.

It is autumn in New England.

It is time to go apple picking.

It is fall in New England.

It is time to look at the trees.

The leaves of the trees change colors.

The green leaves of the trees turn to different colors.

The leaves turn to red and orange and yellow.

It is fall in New England.

The days become shorter and the nights become longer.

The temperature becomes cooler.

The fall air is cool and crisp.

It is autumn in New England.

It is time for football and for soccer.

Everyday there are games of football and soccer.

It is time for pumpkins and cider and Halloween.

It is time to rake leaves.

Everyday there are more and more leaves to rake.

It is fall in New England.

It is the best time in New England.
