

In Our Classroom

In our classroom there are many desks.

The students sit at the desks.

In our classroom there are many pencils and pens.

The students write with the pencils and pens.

In our classroom there are a few windows.

The students look out the windows.

In our classroom there is a large whiteboard.

The teacher writes on the whiteboard.

The students write on the whiteboard.

In our classroom there are books.

The students read the books.

In our classroom the students are busy.

The students are busy everyday.

What are the students doing?

What do they do everyday?

The students are learning.

They read and listen and speak and write everyday.

The students are learning everyday.

The students are learning English.

The students are learning English everyday.
