

Let's Go Out for Dinner

Today was a busy day.

Today was a long day.

I'm too tired to cook.

And I don't want to clean a messy kitchen.

What do you want to do?

Let's go out for dinner.

Let's go out for dinner tonight.

What do you want to have?

What are you in the mood for?

I don't know. Let me see.

We could have pasta with sausage and meatballs.

Or maybe something with eggplant or even lasagna.

That sounds good. That's fine with me.

Or how about pizza with a thin crusty dough?

And covered with peppers and onions.

I like pizza, you know I do.

Or maybe something quick and easy, that might be best.

Fish and chips or burgers and fries.

Okay, Okay, let's get in the car.

Oh, you know, today was a busy day.

Today was a long day.

I'm too tired to drive.

Let's just call for delivery.
