

## What's a Vowel?

What is a vowel?

Teacher can you tell me, what is a vowel?

Teacher can you tell me, what are the vowels in English?

*There are twenty-six letters in the English alphabet.*

*Those twenty-six letters make thousands of words.*

*Those twenty-six letters make hundreds of thousands of words.*

But what is a vowel?

Teacher can you tell me, what is a vowel?

*A vowel is a letter.*

*A vowel is a type of letter.*

*All words in English have at least one vowel.*

Which letters are vowels?

Teacher, can you tell me, which letters are vowels?

*There are five letters in English that are always vowels.*

*a, e, i, o and u.*

*a, e, i, o and u are always vowels.*

*There is one letter in English that is sometimes a vowel.*

*The letter y is sometimes a vowel.*

Okay teacher, a, e, i, o, u and sometimes y - those are the vowels in English.
