

The Bicycle Ride

Yesterday I went for a ride.

Yesterday I went for a ride on my bicycle.

I left the house early in the morning.

I came home late in the afternoon.

I went for a ride on my bicycle.

I went for a long, long ride on my bicycle.

I pedalled across the city.

I rode past the houses and the stores and the buildings and the parks.

I wore my helmet and I rode alone.

I rode up and down the hills of our city.

I left the house in the early morning.

I came home late in the afternoon.

I went for a ride on my bicycle.

I went for a long, long ride on my bicycle.

Yesterday the weather was great.

The sun was out and there was a gentle breeze.

It was a good day for a ride on a bicycle.

I wore my helmet and I rode alone.

I rode up and down the hills of our city.

We have so many hills here in our city.

I had a wonderful, wonderful ride on my bicycle.
