

Who's Going?

I'm going with you.

You're going with me.

He's going with her.

She's going with him.

They're going with us.

We're going with them.

Everybody is going with somebody.

We're all going together.

You're going with me.

I'm going with you.

She's going with him.

He's going with her.

We're going with them.

They're going with us.

We're all going together.

Everybody is going with somebody.

They're Going

They're going over there to their house.

That's where they're going.

They are going over there.

They are going to their house.

They're going over there to their house.

Their house is over there.

They're going over there to their house.
