

ESLLibrary Directions

Go to: *esllibrary.com/students*

Look to the top of the screen. Click on: Create an Account.

Please follow these directions.

Enter this code for our class code: GHX8NE

Enter: First Name and Last Name

Enter your email address or check the box, "I don't have an email address."

Create a user name. Please use your first initial and your last name to create a user name. (Example: Kirwin Matthews - username: kmatthews)

Create a password. Your password can be the same as your username.

Please write down and save your username and password.

You will use your username and password to log on to the website.

Your teacher will not have your username or password.

You will now have an account with esllibrary. You will now be able to use assignments created by your teacher.
