

Let's Join a Gym

Let's do something.

What do you want to do?

Let's join a gym.

Where do you want to go?

Let's go to the gym.

When do you want to go?

We can go anytime.

We can go all the time.

What can we do there?

We can walk on the treadmill.

We can ride the bikes.

We can lift weights.

We can take an exercise class.

Is it fun at the gym?

Some of the time,

But maybe not all of the time.

What do you want to do?

Let's join a gym.

Where do you want to go?

Let's go to the gym.

When do you want to go?

Let's go there now.
