

The Vaccine

I heard about the news on the radio.

I saw the news on the television.

I read all about it on the computer.

It is coming.

Soon it will be here for everyone.

Soon we will all have it.

The vaccine is coming.

Everyone will be able to get a shot of the vaccine.

Everyone will be able to get the vaccine to keep them healthy.

A dose for you and a dose for me.

A dose of the vaccine to keep us healthy.

A shot of the vaccine to keep us safe.

The coronavirus vaccine is coming.

The vaccine is coming for millions of Americans.

The vaccine will be used around the world.

Soon it will be here.

Soon we will have the vaccine.

A dose for you and a dose for me.

A shot of the vaccine to keep us safe.
