

## **Charles Likes to Chop Wood**

Charles likes to chop wood.

He chops wood from morning until night.

After Charles is all done chopping wood,

Charles likes to sit in a chair.

Cheryl likes to chop wood.

She chops wood from morning until night.

After Cheryl is all done chopping wood,

Cheryl likes to sit in a chair.

Charles and Cheryl, Cheryl and Charles.

They both like to chop wood.

Charles and Cheryl will never change.

They chop wood every chance they get.

They stack the wood up to their chins.

After they are done stacking wood.

They both like to sit in their chairs.

They each work very hard.

They each work hard when they chop wood.

Charles chops wood.

Cheryl chops wood.

They chop wood every chance they get.

They chop wood from morning until night.

At night Charles sits in his chair.

At night Cheryl sits in her chair.

They each work very hard.
