

## **Do Not Spill the Paint**

Move everything out of the way.

Cover all the furniture and cover the floor.

Shake the paint can up and down.

Open the can and stir the paint.

And please remember - do not spill the paint.

Take your brush and paint the woodwork.

Keep your hand steady.

Paint from left to right and right to left.

Paint from the top to the bottom

And please remember - do not spill the paint.

Take your roller and paint the walls.

Keep your hand steady.

Paint from the top to the bottom.

Paint from the left to the right.

And please remember - do not spill the paint.

It is now time to clean your brush.

It is now time to clean your roller.

It is time to put everything away.

Cover the can and save the rest for tomorrow.

And please remember - do not spill the paint.
