

Everything Is Broken

The pipe won't stop leaking,

There's water on the floor,

Everything's broken, what should we do?

Call the plumber.

Call the plumber now.

The furnace won't turn on,

There's no heat in the house,

Everything's broken, what should we do?

Call the gas company,

Call the gas company now.

The cable is out, no Internet, too.

We can't watch the show.

Everything's broken, what should we do?

Call the cable company.

Call the cable company now.

The stove won't turn on.

The refrigerator is off, too.

Everything's broken, what should we do?

Call the electrician,

Call the electrician now.

Everything's broken, what should we do?

Everything's broken, what should do?

Let's stay at a motel, that's what we'll do.
