

She Loves to Fish

She left this morning.

She left today.

She left this morning on a ship.

She is on a ship.

She is fishing this morning on a ship.

She's fishing today on a fishing ship.

She loves to fish.

She loves to catch fish.

She is fishing this morning on a ship.

She's fishing today on a fishing ship.

What will she do?

What will she do when she catches a fish?

What will she do?

She will throw the fish back into the ocean.

Into the ocean, she will throw the fish back.

She loves to fish.

She loves to catch fish.

Ed Has a Rash

Look at Ed.

Ed has a rash.

Did Ed get that rash from the fish?

Did Ed get the rash from the fish?

No, no.

Ed got that rash from the fruit.
