

The New Apartment

I moved to a new apartment.

My new apartment is a nice home.

It is in a good neighborhood.

My new apartment is in a quiet neighborhood.

My apartment has two bedrooms.

Both bedrooms have plenty of room.

The kitchen has a new stove and my kitchen has many windows.

There is a window above the kitchen sink.

I would like to show you my new apartment.

You will have to come see it sometime.

The living room is nice and big.

There is a lot of space in the living room.

My apartment is on the third floor.

I like living on the third floor.

I like looking out from the windows on the third floor.

The backyard is small.

We do not have much room in the backyard.

But we live close to the park.

We can always walk to the park.

I would like to show you my new apartment.

You will have to come and see it sometime soon.
