

Wash the Squash

It's time to wash the squash.

All the vegetables should be carefully washed.

The broccoli, the carrots, the green beans, the potatoes, and the lettuce have all been washed.

Now it's time to wash the squash.

Before we slice it and cook it we must wash the squash.

Please, don't just stand there and watch.

Don't stand there and watch me wash the squash.

Please, I want you to help me.

I want you to help me wash the squash.

I don't want you to watch.

I don't want you to watch television, or watch the dog.

And I don't want you to watch me wash the squash.

Don't watch me wash the squash.

Go to the sink with a bunch of squash.

Run the water and take a cloth.

Go to the sink and wash the squash.

Don't watch - wash the squash.
