

Welcome to Our House

Welcome to our house.

I hope you like what you see.

Welcome to our house.

Would you like a cup of coffee?

The dog is under the table.

The cat is by the door.

Our bird is on the refrigerator.

And a mouse lives below the floor.

Welcome to our house.

We hope you like what you see.

Welcome to our house.

Would you like a cup of tea?

Our bird is on the refrigerator.

And a mouse lives below the floor.

The dog is under the table.

And the cat is by the door.

Welcome to our house.

We hope you like what you see.

Welcome to our house.

How about a cup of tea?

The dog is under the table.

A mouse lives below the floor.

There's a bird on the refrigerator.

And our cat is by the door.
