

What Did You Say?

What did you say?

I didn't quite hear you.

Can you repeat that?

Can you say that again?

What did you say?

I'm not sure that I understand.

Can you explain that again?

Can you tell me what you mean?

What did you say?

I don't know what you mean.

Can you say that again?

Can you please repeat what you said?

What did you say?

I don't quite follow you.

Can you tell me again?

Can you please tell me one more time?

What did you say?

I don't know what you said.

I don't understand what you are talking about.

I don't know what you are saying.

What did you say?

Oh, now I understand.

Thanks, now I get it.

Thanks, now I know what you mean.

Thanks, let me explain.
