

The Moon

Do you see the moon?

Do you see the full moon tonight?

There is a great big supermoon.

There is a great big full supermoon tonight.

Can you sing a tune?

Can you sing a tune for us tonight?

We would love to hear you sing a tune.

We want to hear you sing a tune for us tonight.

Can you sing a tune under the moon tonight?

April, May and then comes June.

Summertime will be here soon.

During summertime it's warm at night.

During summertime we can sit out in the light.

In the light of the full moon.

Can you sing us a tune?

Summertime will be here soon.

Can you sing a tune under the moon tonight?
