

## **Back to School**

Everything is ready.

I have my laptop and my notebooks and my pencils and pens.

My schedule is complete.

I am going back to school.

In the morning I go to work.

In the afternoon I will go to class.

In the evening I will study.

I am going back to school.

I have a plan.

I know which classes I need to take.

And I know when to take each class.

I am going back to school.

There will be reading assignments.

There will be lectures and discussions.

There will be papers to write.

I am going back to school.

The time is now.

The time is right.

My schedule is complete.

I am going back to school.
