

## **The Most Important Day**

May is the fifth month of the year.

This Sunday is the second Sunday of May.

This Sunday is an important day.

It is a very important day in the month of May.

This Sunday we say thank you to all the mothers.

We thank them for everything that they do.

We thank them for the things they do for me and for you.

Mothers are patient and helpful and kind.

So buy her a card and make sure that it's signed.

No one ever loves you like your Mom does.

That's the way she is, it's just because

Because she's the one who gave you life and a home

So Sunday is an important day in the month of May

A day to say thanks to all of our mothers

We thank them for everything they do.

We thank them for the things they do for me and for you.
