

Welcome to Our Class

Welcome to our class.

Welcome to our English class.

It's nice to have you here.

We have class every Tuesday night.

And we have class every Thursday night.

Our class begins at five-thirty.

We have our class together in-person.

Welcome to our class.

Welcome to our English class.

It's nice to have you here.

We practice speaking every class.

We speak together and we speak to each other.

We practice listening every class.

We listen to the teacher and we listen to each other.

Welcome to our class.

Welcome to our English class.

It's nice to have you here.

We practice reading every class.

We read together and we read to each other.

We practice writing every class.

We write in our notebooks every class.

Welcome to our class.

Welcome to our English class.

It's nice to have you here.
