

Walk the Dog

Everyday I walk the dog.

I walk the dog everyday.

My wife always comes with me when I walk the dog.

My wife and I walk the dog everyday.

We walk the dog everyday.

My wife and I walk the dog in our neighborhood.

My wife walks with me in our neighborhood.

We walk together.

We walk by all the houses and the schools and the stores.

My wife and I walk past all the houses and schools and stores.

We walk together in our neighborhood.

We walk together every afternoon.

My wife and I walk through the neighborhood in the afternoon.

My wife and I walk together every afternoon in our neighborhood.

She walks with me every afternoon.

My wife walks with me every afternoon.

Every day I walk the dog.

My wife and I walk the dog everyday.
