

## **Leaving on a Plane**

I have my ticket.

I have my luggage.

I have my ride to the airport.

I am all set to go on my trip.

Today I am taking a long trip.

I am leaving from a busy airport.

I am departing from a busy airport.

Today I am flying on a big jet plane.

It is always fun to fly on a big jet plane.

Up up and away.

I saved my money for a long time.

I saved money for my ticket for a long time.

Now my two suitcases are packed.

I am on my way to the airport.

Today I am flying on a big jet plane.

It is always fun to fly on a big jet plane.

Up up and away.

Fasten your seatbelt and away we go.

My flight will take three hours.

Then I will arrive.

I will arrive in another busy airport thousands of miles away.

It is always fun to fly on a big jet plane.
