

The New Car

I bought a new car.

Yesterday I bought a new car.

I bought a new car at Sonia's Auto Sales.

My new car is preowned.

It is not brand new.

It is a used car.

It is my new used car.

My new car has seventy-five thousand miles on it.

It has seventy-five thousand miles on it.

The brakes are good.

The tires are new.

The engine is good.

There is no rust on the body.

I hope my new car lasts a long time.
