

## **It's Cold Out Today**

It's cold out today.

It's very cold out today.

It's too cold to go outside today.

It's very cold.

It's colder than yesterday.

It's the coldest day of the year.

Tonight will be the coldest night of the year.

It's freezing out now.

It's cold. It's freezing. It's frigid.

Tonight will be the coldest night of the year.

You will need to dress warm.

You will need to wear a hat and a winter coat.

You will need to dress very warm.

It's cold. It's freezing. It's frigid.

It's the coldest day of the year.

And tomorrow will be cold again.
