

Chocolate

Thanks for the chocolates.

Thanks for the big box of chocolates.

Thanks for that wonderful box of delicious chocolates.

You know what I want to say?

Chocolate always makes my day,

Happy. I like chocolate.

On Valentine's Day and Easter, on Halloween and my birthday too,

Eating chocolate is my favorite thing to do.

Chocolate candy, chocolate cupcakes, chocolate brownies, chocolate doughnuts

I like them all

And if you turn on the oven to bake

Why not make a chocolate cake?

Bright red strawberries might be very cute,

But cover them with chocolate

And they're my favorite fruit.

You know what I want to say?

Chocolate always makes my day,

Happy. I love chocolate.
