

## **Jim and George Join a Gym**

Did you hear about Jim?

Did you hear about George?

Jim and George joined a gym.

Jim and George both joined a gym.

Jim and George just joined the gym last week.

It's not a joke.

Every morning Jim picks up George.

He picks him up in his Jeep.

Then they go to the gym,

Before they go to their jobs.

And it's no joke,

The way they jog on the treadmill.

Jim and George just go and go.

They both just want to get into shape.

George and Jim joined a gym.

George and Jim just joined the gym last week.

Jim picks up George in his Jeep everyday to go to the gym.

And next week?

Next week he will pick up Joe and Jill.
