

Tim Took His Time

Tim took his time

When he brought the pet to Pete.

Pete always wanted a pet,

A pet that he could keep.

Tim took his time,

And he gave his snake a snack.

The snake was very hungry,

And the snack made that snake glad.

Tim took his time,

And he wore a cap and cape.

The cap he wore was purple

And the cape he wore was blue.

Tim took his time,

He said hello to Jan and Jane,

Jan was very quiet

And Jane was very loud.

Tim took his time,

He ran into his friend Luke,

He said to Luke, good luck,

Best of luck to you, Luke.

Tim took his time,

When he brought the pet to Pete.

Pete always wanted a pet,

A pet that he could keep.
