

## **Welcome Back**

Welcome back.

It's nice to see you again.

Welcome back.

It's good to be here again.

It's good to be back together again.

How was your vacation?

How was your time off?

How was your break?

I hope it was all good.

It's time to get back to our routine.

It's time to get back to work.

It's time to get back to learning.

It's time to get busy again.

Welcome back.

It's good to be here again.

We have a lot to do.

We have a lot more to do.

It's nice to be together again.

Welcome back.
