

Let's Look

Let's look.

Let's take a look.

It will only take a little while.

Just a little while to make you smile.

Let's look.

Look over there at that school.

That's a place that's really cool.

It's a place where you can learn to read and spell.

It's a place where a student can do well.

Let's look.

Let's take a look.

It will only take a little while.

Just a little while to make you smile.

Let's look.

I am going back to school in the fall.

And I want you to come with me, most of all.

When it's time to start, I will give you a call.

Let's look.

Look over there at that school.

That's a place that's really cool.

Let's take a look.
