

The Lady Put the Baby in the Buggy

The lady put the baby in the buggy.

And they went for a walk

On a sunny, sunny day.

Along for the walk came a jolly puppy.

Following behind the pretty lady.

The baby thought it all was very funny.

And he laughed and laughed inside his
buggy

On that sunny, sunny day.

The baby had a name given to him by
the lady.

And of course, you know, his name
was Eddy.

Inside his buggy, Eddy had some candy.

That the lady bought at the penny
candy store.

Eddy always had plenty of candy

In his cozy buggy, in case he was hungry.

Now the puppy had a belly full of jelly.

And he wasn't hungry at all.

He ran around the buggy like crazy.

And Eddy laughed and laughed at the silly
puppy.

It was a sunny, sunny day.

The lady put the baby in the buggy.

The baby had a name and his name was Eddy.

He was a happy baby with a silly puppy on a
sunny day.
