# COMMUNITY

We are a community of learners.

# REMINDE

Remind is a school communication application.

The school and your teacher send messages to students.

You can reply and send messages too.

Ask the school if you need help with downloading or updating the Remind application. \*Note: the school uses your phone number to enroll you in Remind for free.

There is also a tutorial about setting up and using Remind.

# CONSENT FORM

All students will complete a Consent Form every year.

You 'consent' (say 'okay') to the release of your information.

The image shows a screenshot of a Google Forms document. At the top, the text "Worcester Adult Learning Center" is displayed in a large, orange, serif font. Below this, the title "Release of Information" is written in a black, serif font. The main body of the form contains a paragraph of text explaining that the Massachusetts Department of Elementary and Secondary Education (DESE) funds the program and must report student information to the federal government.

**Release of Information**

The Massachusetts Department of Elementary and Secondary Education (DESE) funds your adult education program, the Worcester Adult Learning Center, and almost 100 others like it. In order to continue to support these programs, DESE must report information about students, including student outcomes, to the federal government.
