

# How to Make Pancakes

**DIRECTIONS:** Read the story. Then put the events of the story in the correct sequence.

It was breakfast time. "I want to make the pancakes!" Ellie said.

"No problem," her mother said. "I will show you how."

First they mixed together flour, an egg, milk, a teaspoon of baking soda, and a pinch of salt in a big blue bowl. Next, they selected a skillet. They poured some oil in the skillet, and set it on the stove to heat up.

"When the oil is hot," Ellie's mother said, "We will pour in the batter."

When the oil was hot, Ellie used a measuring cup to pour batter into the skillet. It made a hissing sound, and soon the batter began to bubble.

"It is time to turn the pancake," Ellie's mother said. Ellie used a spatula to turn the pancake. The pancake was a beautiful golden brown. When it was done, Ellie lifted the pancake out of the skillet and slid it onto a plate.

"Who wants the first pancake?" Ellie called, as her mother poured more batter into the skillet.

Ellie and her mother made ten pancakes. When they finally joined the rest of the family at the breakfast table, Ellie covered her pancakes with syrup and dug in. They were the best pancakes that she had ever eaten!
